

TERMS & CONDITIONS FOR POLYBALL NFTS

Polyball is a collection of digital artworks (NFTs) running on the Polygon network. This website, polyball.win, is only an interface allowing participants to mint digital collectibles. Users should be responsible for the safety and management of their own private Polygon or any Crypto wallets and validating all transactions and contracts generated by this website before approval. Furthermore, as the Polyball smart contract runs on the Polygon blockchain, there is no ability to reverse or restore any transactions.

The name and Intellectual Property involved in the Polyball Project (“Polyball”) is owned by our team. Intellectual Properties include, but are not limited to Polyball logo, the website, the smart contract code or anything else not specifically granted by any following license, which are reserved by the team or potential future DAO.

After you purchase an NFT, you gain full and complete ownership of your NFT on the Polygon blockchain. Ownership of the NFT is mediated entirely by the Smart Contract and the Polygon Network.

For Personal Use, Polyball grants you a worldwide, royalty-free license to use, copy and display your NFT along with any extensions that you choose to create or use, solely for the following purposes: 1. Your own personal, non-commercial use 2. Display and usage of your NFT on External Websites 3. The right to Buy, Sell, and Trade your NFT.

For Commercial Use, Polyball will grant you an unlimited, worldwide license to use, copy, and display your NFT if you continue compliance with these Terms:

1. Owning or operating a marketplace that permits the use and sale of Polyball's NFT and the market has ability to verify the actual ownership of the NFT.

2. Owning or operating a third party website or application that permits the inclusion, involvement, or participation of Polyball NFTs and the platform has ability to verify the actual ownership of the NFT.

3. Earning revenue from any types of resources, which will have to prove you have the ownership of the NFT.

Once the NFT leaves ownership, all Personal and Commercial use terms are revoked.

You may purchase the Polyball NFT only if you have reached the age of majority or legal age in your jurisdiction (generally 18 or older) and can form legally binding contracts under applicable law. If you are under 18 or the legal age of majority in your jurisdiction, your educational institution, parent, or guardian must agree to these Terms of Use on your behalf.

There will be more features coming out soon. These Terms are Subject to Change.
